Report of Stores Suspected of Selling Tobacco to Minors

Ingham County Health Department, in cooperation with the Ingham County Sheriff's Office and local law enforcement agencies, is working to prevent the sale of tobacco products to minors. Enforcement agents conduct compliance checks on a regular basis at every business that sells tobacco products to assure compliance with state law and Ingham County's Tobacco Regulation.

Your observations can provide information about stores that sell tobacco products to minors when we are not present. The information below, while not a formal accusation, will trigger a compliance check.

Store Name: _____

Store Address: _____

City: _____

Nearest Major Cross Streets: _____

Describe any employees that you observed selling tobacco products to a minor:

Did you witness a youth buying tobacco products? YES NO NOT SURE

Is this youth available to conduct a tobacco compliance check with an enforcement officer?

YES NO NOT SURE

Provide a brief explanation of what you observed. Please report the date and time of your observation and include details about anything you observed that made you suspicious.

If you would like a report back regarding the outcome of the compliance check, please provide your contact information: This information will not be shared with the store owner or employees.
